DEFINING
STYLE
AS YOU GO

EXPRESS YOURSELF

A small car, all grown up.

Driving should be an extension of yourself. Say hello to the new Picanto. Sporty and stylish, it also delivers on the other essentials: advanced features, eco-friendly technology, and of course, the now legendary Picanto individuality.

LOOK CLOSELY, IT'S ALL IN THE DETAILS

Every element blends into the next.

Up close, the new Picanto is harmony in full flow. The headlamps are an extension of the body shape's flowing lines. The radiator grille and air dam blend with the bold, well-balanced proportions. Form and function all in one.

1. GLOVE BOX A capacious glove box (9.6l) stows useful items where they can be easily accessed. **2. DOOR MAP POCKET** Not just for maps, but for other things like drinks and snacks. **3. CENTRE CONSOLE** A large open tray on the floor console provides additional storage space. **4. ROTATING DUAL CUP HOLDERS** A click of a button turns the floor console into rotating dual cup holders. **5. UNDER-SEAT STORAGE** Just the place to keep items that fold flat, like newspapers and maps. (Option).

Storage space close at hand.

When you have places to go, it stands to reason you'll have things to take with you. No problem with the new Picanto. Take them along all tidied away.

AN OUTLOOK, GIVEN SHAPE

60:40

Because your gear comes in all shapes and sizes.

The 60/40 split rear seat back is ideal when you need to carry unusual-shaped items (while still letting you carry three people of course). When it comes to sizeable loads, you can fold down both rear seats and make use of the extra space. Under the tailgate there's 200 litres of luggage space – so your bags and shopping items are taken care of.

EXPERIENCE THINGS FROM THE INSIDE

The interior space raises the bar when it comes to stylish design, attention to detail and bold finishing touches. Sit back in an ergonomically designed seat and find out how.

POWER PLUS ECONOMY, THE DRIVE YOU SEEK

Built for you and the environment.

Get the blend of power and economy right and you're on your way to optimum driving. The new Picanto does just that, with engines that meet or exceed every existing emissions standard.

KAPPA 1.2 MPI ENGINE

87ps

Delivering a maximum 87 ps at 6,000 rpm, this engine ups the power but still delivers reduced fuel consumption and a smooth, quiet drive.

KAPPA 1.0 MPI ENGINE

69ps

A powerful unit that delivers a maximum 69 ps at 6,200 rpm, this engine is also light weight to enhance fuel economy while delivering reduced vibration and noise.

MANUAL/AUTOMATIC TRANSMISSION

Choose from 5-speed manual or 4-speed automatic transmissions. Each works harmoniously with all engines, and offers smooth, noiseless gear shifting.

> BODY COLOURS

A choice of 9 eye-catching paint finishes lets you select your favourite body colour.
